

Good evening, Folks,

Our annual meeting was held last Tuesday at the Jackson North Park gazebo. We were very lucky to have beautiful weather. The most important business of the evening was the election of officers for 2021. I will remain as your president, Roger Gray as vice president, Amy Simmons as secretary, Pam Feit as treasurer, Randy Williams as road captain. Elected to our board of directors for a two year term were George Cutter and Patrick Duff joining Annette Foster, Roger May and Doug Bower. Thank you to all of our officers and board members!

Many thanks and much appreciation to all of our ride leaders for this past year. We had so many great rides both scheduled and impromptu. Our rides were very well attended and most importantly we stayed safe. We welcomed many new riders and they have been a wonderful addition to our group. We look forward to them returning in 2021!

Even with our late start and concerns about Covid 19 our club had a very enjoyable year. Randy reminded us of that with his video presentation. His video will soon be on our facebook page so please be sure to check it out. Our Tuesday evening rides ended with visiting in the park instead of a restaurant. We made adjustments and I appreciate everyone's patience while we tried to do our best to keep everyone safe.

We had lots of good things happen for FOS this year. Thanks to Randy, we had a wonderful article in the [Canton Repository](#). It was great publicity for our club and we have had many inquiries since that article appeared. We launched our new website and have had numerous compliments on it. It is user friendly and visitors to the website can contact us directly with any questions or comments. AND did I mention all our new members? We are so happy to see our club growing!

It is now time to send in your membership application (please be sure to sign at the bottom) and \$15.00 for 2021. Please mail to our treasurer, Pam Feit, 521 Grosvenor NW, Massillon, Ohio 44647. With your membership you will receive the monthly ride schedule and any ride invitations that come up during the week. Your dues also keep our club running. We don't have many bills but we do pay dues to League of American Bicyclists, insurance and website, to name a few. Thank you in advance!

Looking forward to a successful 2021,

Warm regards,  
Debbie
